Per our meeting today, outlining immediate next steps:

1. **HC BID** will provide list/map of bus zone issues and recommendations
2. LADOT will communicate bus issues/recommendations in upcoming design meetings with Metro.
3. **HC BID** will explore funding and process for curb ramp for approved midblock on Spring between 6th- 7th with Public Works contact; keep VW posted on progress
4. **HC BID** will sign expired Parklet MOUs, working w/ Brian Oh at LADOT People St program
5. **HC BID** will keep LADOT in the loop on LA2050 grant outcome (fingers crossed!)

LADOT and CD14 will be in touch for official stakeholder meetings in the coming months. More topics to be explored as we continue formal project process!

Thanks for an excellent meeting. A lot of ground we covered today in 1 hour!

Kind regards,  
Valerie

Sure thing. See y'all then.

Also, we had planned to reach out to you and other key stakeholders later this month (LADOT + CD14 outreach on the project) anyway, so consider this an unofficial pre-meet in light of the LA2050 application and our chance encounter on Friday, Noah! ;)
